

SEC ELECTIONS POSTPONED TO FRIDAY, DECEMBER 10

Jack Crepeau Releases Statement to Daily

In an interview with the Daily last night Jack Crepeau made the following comments:

"It appears from Miss Penner's letter in the Daily yesterday that she self-righteously grouped herself with those of Bordeaux jail who insist that 'they were framed.' At no point in her letter does Miss Penner even attempt to approach the truth, and quite naturally because her whole purpose of smearing someone's personality would be defeated.

There is an Student Executive Council ruling that nothing can be peddled in the Union, or on Union property. No hand bills, etc. can be distributed without proper authorization. Until these rules and regulations are changed by the student body, I will see to it that they are adhered to.

For the past month, I have asked Mr. George Neuspier not to have the Tribune sold on Union Property. I asked him to have the L.P.P. organ distributed from the truck shop, like the Dawson Weekly or the McGill daily, free of charge or by reservation only. Nothing was ever done. I warned him every week. Each Friday I have been confronted with the same problem. Some obscure individual, usually a freshette, is peddling the Tribune on the steps of the Union. When I ask her whether she knows of the S.E.C. ruling, of course the poor girl doesn't know, she's just a freshie! Usually I bought the remaining copies with my own money to prevent anybody from complaining, and to avert a big show-down. But last Friday, the particular girl who had been posted at the entrance of the Union had too many papers to sell; I then decided it was just about time something be done about it. I told the girl to get off Union property to sell the Tribune.

When she was on the sidewalk, some students were interested in finding out whether she had a permit or not. One student phoned the police from Mr. Shackell's office. I advised the particular student on how to make sure he would have a good case. His three friends were then asked to buy a Tribune but only when the girl was on the city property. When the police officer arrived, Miss Penner naturally discontinued the sale of the paper, because she did not possess the required permit. The Police Officers therefore were solely interested in whether or not the girl had sold the Tribune or anything else on the street. Miss Penner stated before some ten or twelve witnesses that she had not done so and had never been on the street selling the paper. The three students then testified that they had bought their papers from Miss Penner and while she was on city property; the case was therefore closed. Miss Penner was properly warned by the Police officers and I stated that next time I personally would lay a charge because I was thoroughly fed up with repeating the same things over and over again to the same people.

Miss Penner states "He pushed me bodily out of the office in a most uncivil manner." This is a pure unadulterated lie and some twenty students who were there can vouch for this... including Mr. Beaton, Mr. Ross Cavey, etc. But in true communitarian fashion, if you "boo" a communist speaker he will cry where is our freedom of speech; if you touch him on the shoulders with your little finger, you have strangled him. My French ancestors would turn over in their graves if they ever found out that I ever miss-handled a lady, particularly a girl in her teens.

I therefore owe no apologies to anyone for having acted the way I did—it was far from being high-handed or unwarranted. In such a situation there is only one way to act and that is to act fast.

S.E.C.

The S.E.C. Candidates in Dentistry (W. Harwood and C. R. Braaten), Physical Education, Physiotherapy, and Graduate Nurses (J. Meagher and H. Hackay), and in Music and Theology (J. Shearman) have not as yet submitted pictures, platforms, or pen sketches. These candidates are urged to submit photographs (head and shoulders) to the box outside the Daily Office by Tomorrow noon, and addressed to Bernard Cooper. This is necessary if your pictures are to be run on Friday.

If any of Miss Penner's friends are interested in having me censured for what I did, I would advise them to do so now... I will be the first one to second any motion of non-confidence in the President of the Union. We of the Union House Committee have already done too much for the benefit of the Union. The more we do, the more we get into deep mud—and we love it, as long as something is done. But I personally would be just as happy if I were forced to retire to 768 Pratt Ave. and study law, in my spare time, for a change. Until this happens, I will continue to act in the ways and means which are deemed to be fitting and proper and before the year is over I must say that there will be much more griping. One cannot attempt to have the whole financial arrangements between the women and the men's Unions revised without causing some hard feelings in some quarters, one cannot attempt to have the University spend some fifty thousand dollars on the present Union building without causing some concern to the University authorities who pull the strings, one cannot set up a Central Ticket Agency in the Union without embarrassing some people who formally have had too much liberty in the sale and distribution of the tickets for some of the major functions on the campus; similarly, one cannot attempt to have the S.E.C. regulations adhered to without causing some ill-feelings to some people. But the time has come for someone to do something about these matters... and I will continue the work I started until I am disposed of. But as long as I receive the confidence of the majority of the students I will press for the major reforms and reorganizational measures which the Union (Continued on Page 4)

Social Work School Hears Dr. B. Mehta

On Monday, December 6th, at 9 a.m., the students of the School of Social Work were addressed by Dr. Behram Mehta, M.A., Ph.D., Professor of Social Welfare Administration, Tata Institute of Social Sciences, Bombay, India.

The Tata Institute is the only graduate school of social work in India. India has approximately 150 trained social workers and about 500 trained in specific functions. They put their emphasis on the community, not the individual. In India, Dr. Mehta finds that social forces are against the promotion of individualism because of India's population, her political tendencies and her industry.

All university students in India do volunteer social work for from six to twelve hours a week. Students of social work must live and work in the slums to be able to know the people intimately and to totally annihilate self.

Dr. Mehta, during his travels through Canada and the United States, finds that our social work is more mechanically efficient, but feels that India, if she follows ideals, will eventually become more effective. Indian social welfare solves social problems. He suggested that social work in America merely provided superficial solutions for problems, rather than cures. He finds American democracy artificial and American people lacking full understanding of other countries, such as those in Europe and the East, where co-operation is emphasized, not competition. What we call human nature they call animalism, he said.

Dr. Mehta suggested the necessity of control in this connection. He also thought the family in India and China had sound roots, and pointed out the comparative weakness in the American family by showing that it was necessary to pay Family Allowances to keep any semblance of family unity. He felt we should study the Indian Family as a good example of family living.

After many questions and much discussion, Dr. Mehta was thanked by Miss King, Director of the McGill School of Social Work, and by Mr. Don Gillis, Treasurer of the Students' Council.

W. Thompson Will Replace J. Thomson

Sask. Appoints New President

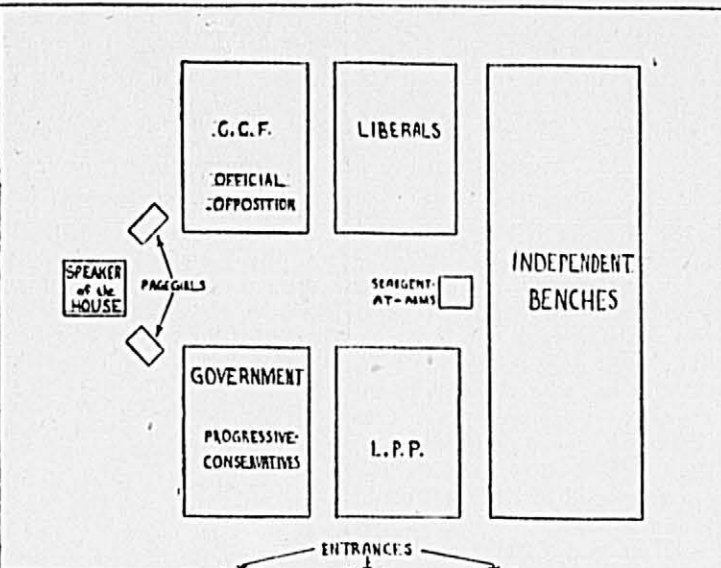

Saskatoon, Dec. 6. — (CUP) — Doctor William Palmer Thompson has been appointed as the new president of the University of Saskatchewan announced Mr. Justice H. Y. Macdonald, chairman of the board of governors. Dr. Thompson will assume the post June 1, when Dr. J. S. Thomson present president leaves for the University of McGill to become dean of the new Faculty of Divinity. In making the appointment, Mr. Justice Macdonald said "with his scholarship and his background of wide experience in academic and administrative affairs we feel that we have in Dr. Thompson a worthy successor to the two distinguished gentlemen who filled the office before him."

Dr. Thompson is at present dean of the College of Arts and Science, and head of the Biology Department here. He is president of the Royal Society of Canada, a member of the National Research Council, and acts as liaison officer for the Prairie Regional Lab here.

He was born on an Ontario farm, graduated in Biology from the University of Toronto in 1911, mastered and took his doctorate at Harvard. He was appointed to head the new biology department at Saskatchewan soon after his return from a scientific trip to Java and the East Indies in 1914.

He initiated Canadian research on rust resistant varieties of wheat, and is a charter member of the agricultural institute of Canada. Investigations of chromosome breakages in the germ cells of wheat plants caused by radio-activity is now being conducted here under his direction.

PLAN OF "PARLIAMENT"

This is a plan of the Second Model Parliament of the Season, which will take place Thursday evening at 8 p.m., in the Union Ballroom. The topic under discussion is the banning of the Communist Party in Canada. The independent section is for those who do not wish to affiliate themselves with any party. Those who wish to be associated with a specific party will sit in the sections designated for that party. The full texts of the official (Progressive Conservative) Government bill and the C.C.F. Official Opposition amendment, will be published in tomorrow's Daily.

Peace Charter Presented To SLC Open Meeting

By MIKE SHARATT

The Peace Committee of the Student Labour Club held an open meeting yesterday afternoon at 5:00 p.m. in the Union Ballroom. This newly formed committee was defined as a group who held an optimistic view towards the solution of the present world problems and who believe that students can make a concrete contribution to World Peace.

The first part of the meeting was devoted to the presentation of a Peace Charter which urged the strengthening of measures — for the relief and rehabilitation of war-devastated countries, and for the reduction and control of World armament.

The latter part of the meeting

included reports by Harold Horn, Libby Rendell, and George Nuspier on their travels through Europe with the Beaver Brigade.

Harold Horn who spent seven weeks in Hungary, stressed that he was not intent on creating friends or enemies for the government of that country, but wished merely to present the truth as he saw it. He sketched the previous politics of Hungary and detailed the results of war on the political and economic life of the common man. Mr. Horn said that all heavy industries in addition to schools had been nationalized, and after stressing the democratic and liberal form of the present regime seemed rather amazed that he had found opposition newspapers on the newstands.

Two Winners Chosen for Debating Cup

Finals to Be Held Tuesday

The two winners of the Talbot Papineau Cup semi-finals, held last night in the Union New Room, were Sydney Phillips and Douglas Gross.

The Finals will be held on Tuesday, Dec. 14, at one o'clock in the Union Ball Room, the topic being resolved that "The World War was fought in vain." Mr. Phillips will take the affirmative side of the debate, Mr. Gross upholding the negative.

Professors Currie, Hughes, and Lavolette, acting as judges, commended the 13 speakers and gave individual criticisms. The judges unanimously decided on Mr. Phillips, on the strength of his speaking prowess, and his advocating of advertising as a means of instilling democratic spirit, thereby dealing with the forces trying to destroy democracy.

Mr. Gross based his argument on widespread education through schools, news, movies, and comic books; legislation bringing the Communists into their true light; and a North-American Marshall Plan to raise the standards of living for impoverished peoples in our society.

All speakers mentioned that Legislation against Communists would only drive them underground, thereby making them a more serious menace as martyrs of legislative tyranny. Democratic means alone are able to combat the groups which aim to destroy democracy. The judges considered competition close in view of the fact that each speaker took a different stand on the matter.

DAILY STAFF

The staff meeting will be held this evening at 7:30 p.m. in the Daily office. All staff are urged to attend, as the Daily pictures for the Annual are to be taken at this time. In addition press cards will be issued.

Platforms in This Issue Are To Complete Set; All To Be Re-run Friday

Due to technical difficulties, all the platforms did not appear in Tuesday's issue of The Daily. The elections for all faculties have been postponed to Friday. All platforms submitted, except for those of Engineering and Architecture, which were run yesterday, are in today's Daily.

Around the Campus

CAMERA CLUB

The Camera Club will hold a seance this evening in the Union Cafeteria at 8 p.m. Barbara Hodgson, Miss Campus Queen, will act as model. A \$5.00 prize will be awarded for the best picture. New members will be able to register before the seance.

POST-GRADS SWIMMING

There will be swimming this evening for post grad students at the N.D.G. Y.M.C.A. this evening. The cost will be 35 cents. Please bring your own swim suit.

LIBERAL CLUB

The Liberal Club will hold its regular meeting today at one o'clock in the New Room of the Union. Professor McLennan of the philosophy department will address the club on "The Philosophy of Liberalism."

MCGILL CHRISTIAN FELLOWSHIP

The McGill Christian Fellowship is holding a luncheon on Thursday at 1 p.m. The speaker will be Dr. R. Lennox of the Presbyterian College. Electrical Club At its regular meeting to be held

today at 1 p.m. in room 33 the Electrical Club will hear a talk by Mr. Borden of the Northern Electric Co. on the topic, "Electrical Energy in View."

U. S. Veterans

In an attempt to speed up the arrival of G.I. cheques, three lists are being prepared in room 11 in the arts building. The first for those who were at McGill last year, the second for those who were under the V.A. in the States last year; and the third for those who are under V.A. for the first time. These will be forwarded to Washington. Be sure to leave your C-file number or your service number. Dawson students should leave their names at Student's Counsellor's Office.

MCGILL CHORAL SOCIETY

Practice today at 5:00 p.m. in Divinity Hall. There are now only two more practices before Sing at Christmas on December 17th and the C.B.C. broadcast which will be held before the concert. Don't forget the annual visit to Macdonald College. For concert performances, the girls wear white with McGill blazers. Men will wear dark suits.

Mr. David Rome, in charge of press relations of Canadian Jewish Congress will discuss "Canada and Israel and U.N. at the Zionist meeting tonight at 8:00 p.m.

MCGILL DUPLICATE BRIDGE CLUB

The Bridge Club will meet tonight at 7:30 in the Union Ballroom. This is the last meeting before Christmas, so let's have a good turn-out.

FRENCH SOCIETY

The French Society will hold its first "Soiree-Amicale" tonight in the Newman House at 8:00 p.m. For the occasion, a delegation from "Les Malurons", "Les Quarons et Les Sauterelles" will be remembered for their most entertaining folklore evening of Nov. 29th, will see to it that every boy and girl gets together, parient francais, and learn a few typical French folk dances. Admission is free.

MCGILL FILM SOCIETY

On Thursday, Dec. 9, the Film Society presents "A Trip to the Caribbean" and "Salt Water Wonderland," a colour movie of the Marine Gardens in Florida.

COSMO CLUB

A series of colour films on the Caribbean will be shown to the Cosmo Club in the reading room of the Union tonight at 8:30. Mr. Rex. Stollmeyer Trade Commission in Canada for the B.W.I. will give a commentary. Mr. Stollmeyer is well known for his knowledge of the British West Indies and his fine films. The Executive will meet at 8 p.m. in the Reading Room.

POLITICAL SCIENCE CLUB

Tonight at 7:45 in the New Room the Political Science Club will hold its last meeting of this term. Professor Keirstead of the Economics department will address the club on the topic "Canada's Foreign Policy." Professor Keirstead has written widely on the subject and is thoroughly familiar with the economic and political implications of Canadian Policy. All students are invited to attend and take part in the discussion which will follow the address.

BERLIN BLOCKADE

Dr. Leo Gross, Professor of International Law at the Fletcher School of Law and Diplomacy, will speak on "International Law Aspects of the Berlin Blockade" at 5 p.m. in Room A of the Medical Building.

Professor Gross, who is speaking (Continued on Page 4)

GENE CARTWRIGHT
Platform

On Wednesday, Dec. 8, an important student election will take place. As one of the candidates for the position of Representative to the S.E.C. for the Faculty of Arts and Science, the following is a platform of what my endeavors will be for this Faculty and the university.

Primarily I shall represent the faculty both here on the McGill campus and at Dawson with the best of my ability. My actions and decisions as the representative to the council will not be influenced by any one interested group, but by the interests of all the students in the Faculty of Arts and Science. I shall work for a unity of activities throughout the campus. Where there are many small and well-organized groups on the campus with similar aims and ideas, there should be a consolidation toward larger and more efficient groups capable of doing more for the students participating in them. I shall work for a unity of action within the students' council, bearing in mind, however, that through diverse ideas progress will be made. I will endeavor with all the means within my power to further the interests of the Faculty of Arts and Science that are consistent with and conducive to the well-being of the students of this faculty and our university.

GENE CARTWRIGHT.

Pen Sketch Gene Cartwright
(Continued on Page 4)

TONY HAMPSON
PLATFORM

I wish first of all to express my warmest thanks to those who nominated me. It is not only a very great honour, but it entails a very serious duty; and, if elected, I will strive always to regard my position in this light. I shall do my utmost at all times to represent the students of Arts and Science in the most conscientious, intelligent, and sincere manner possible, following on all occasions the principles which make democracy the great defender of individual freedom which it is today.

If it is to attain its true goal as a university, McGill must be possessor of a proud and unified campus spirit. For it is only by participation in the various clubs, organizations, and activities that the students come to know their university and to take a genuine interest in it and in our democratic way of life. I firmly believe that the S.E.C. can give a much-needed sense of direction, unity, and purpose to this latent spirit, and I therefore I pledge myself to the furthering of this aim.

In conclusion may I have every one of you to exercise not only your legal right but your sacred duty to vote. The candidates, and their platforms, are before you on this page, make up your mind and vote for your own choice, whoever (Continued on Page 4)

ARTS & SCIENCE

DOUGLAS JOHNSTONE
Platform

1. Establishment of a Book Co-operative under SEC management, to supply books and stationery to students at reduced prices.

2. Freedom of speech for any speaker invited by any recognized campus organization.

3. Full support for the McGill Winter Carnival and McGill Athletics Nights.

4. The calling of a conference with the McGill Placement Service in order to improve the facilities for part-time employment of students.

5. Discussion with the University authorities to determine whether the talents of students and staff members will be adequately utilized in the forthcoming \$9,000,000 building program, e.g., it is my contention that the capabilities of the students and staff of the Faculty of Architecture should be employed in the design of the buildings and that the architectural fee allotted in the budget be turned over as a scholarship fund for that Faculty.

6. The establishment of a canteen in the basement of the Engineering Building similar to those now in operation in the Engineering and Chemistry Buildings.

Pen Sketch

I would highly recommend Douglas Johnstone to the students of the Faculty of Arts and Science as their representative to the SEC. Doug is a mature man of 28 (Continued on Page 4)

BETTY SINCLAIR
Platform

There are certain principles which ought to guide the Representative in his administration of affairs and certain student activities which deserve special support.

1) The students of this university recently re-affirmed their faith in freedom of speech. I fervently believe that the decision which we as students made was the right one and I pledge myself to its continued promotion.

2) The representative from Arts and Science to the council is responsible to his faculty and to his conscience alone. His loyalty to the President of the Student Society is subject to this prior obligation.

3) Without casting any aspersions on any group, I feel that the same people play too great a role in campus activities. I should like to see the base widened so as to include many new people.

4) At McGill this past year, the N.F.C.U.S. has not been able to fulfill its best hopes, as it has in previous years, due to lack of support. I pledge myself to do all I can to provide our committee with the support and help it deserves.

Pen Sketch

Betty came to us from England three years ago and has been an important and respected figure on the campus ever since. She has joined wholeheartedly in campus (Continued on Page 4)

BARBARA WATSON
PLATFORM

To register the importance in the students' minds that the Arts and Science Undergraduate Society needs good representation, and having had experience as Recording Secretary last year, I feel qualified in giving the students in Arts and Science this strong representation and I shall co-operate to the fullest extent with the executives at both McGill and Dawson.

In the capacity as a member in the Students Executive Council I would give my fullest attention to student activities over the whole campus.

In the office of Arts and Science Representative to the Student Executive Council I shall endeavour to carry out the following points to the utmost:

a) Graduate and Undergraduate Relations.

Co-operation with the Graduate Society in their endeavours to promote closer relationships with graduates and undergraduates.

b) Winter Carnival.

Full support of the Winter Carnival.

c) Educational Interests.

Further the interests of the Educational Committee in Arts and Science as well as the Music and Arts Committee.

d) Social Interests.

Endeavour to support the Undergraduate Society in its extensive (Continued on Page 4)

Further the interests of the Educational Committee in Arts and Science as well as the Music and Arts Committee.

LETTERS TO THE EDITOR

Freedom — Law and Order

Dear Editor:
In reference to Miss Penner's article appearing in yesterday's Daily, I have this to say; the sooner Miss Penner and her friends realize that freedom can only exist where there is obedience to law and order, the better it will be for her.
Freedom is no doubt the most difficult concept to grasp, and many confuse the term. Freedom they think is an end in itself. Well, it is not, it is a means to an end. In our case it is a means to promoting temporal welfare and happiness.

We are social animals and laws are made to regulate man's activity with his fellow men, in order that we may have freedom to enjoy society and live in it. If there is no obedience, then confusion reigns, and who wants confusion, is Miss Penner looking for it? However our laws are designed for our protection and we must obey them. By way of illustration, I may mention that we are free to fly a plane. We have a freedom, but we are restricted in its use by the laws of aeronautics. If we wish to enjoy this freedom, we must conform to the laws. If we disobey and defy these laws.... alas. So if we wish to live in a society we must obey its laws. If you disobey, then don't be a nuisance, you will be doing society a great favor if you go and live in some cave.
If the sale of the reactionary Tribune at the Union, has been prohibited, then why be so blind as not to see that it was a law and it should be obeyed. By your very disobedience you are undermining freedom and defying the laws that are protecting us. It is most fitting that a sanction should be imposed upon precisely such imposters, who are so ungrateful to society. Our society has no place for agitators, who are working towards confusion of true objectives of law and order.
helim- andmhy ODO AR A AT
J. M. CRUSCH.
B.Comm.111.

WOMEN'S UNION — Vice President

ISABEL GIBB

Platform

First I would like to thank those who nominated me for the positions of representative for the Women's Union to the S.E.C. and Vice-President of Women's Union. Realizing it is hardly possible for any elected officer to perform great changes within her term of office, I believe that she can suggest plans for future use. If elected, these would be my suggested improvements:

- 1) Provision for more publicity for Women's Union events.
- 2) Arrangements for more facilities for women in the Union.
- 3) I would also support:
 - 1) Present arrangements for R.V.C. Sunday night suppers for resident and non-resident students.
 - 2) The Women's Union campaign for washroom cleanup.
 - 3) The Women's Union Art Committee, suggesting exhibitions of work of Fine Arts students.
 - 4) Greater publicity for the Women's Union Social Service Committee, suggesting possibilities of interesting work for students in this field.

My only promise is that, if elected, I will represent the women students to the S.E.C. to the best of my ability and will work hard in my related duties with N.F.C.-U.S. I will also fulfill all obligations to the Women's Union with sincerity.

ISABEL GIBB.

Pen Sketch

Isabel will be remembered by the freshmen for her work this year on the Freshmen and Freshette Reception Committees. Last year she was one of the moving spirits in the Arts and Science Education Committee. In this position, Isabel helped organize the professors' teas, so popular in past years.

As a Red Wing, Isabel is a familiar figure at various campus functions. She also has given her strong vocal support to Choral Society. Isabel has always entered wholeheartedly into any undertaking. She has never shirked any difficult job, but seems to enjoy turning the impossible into the possible.

MARTHA McCUTCHEON, B.A. 3.

1. Freshmen and Freshette Reception Committees (Continued on Page 4)

MONICA HURLBUT

Platform

The Vice-President of the Women's Union is responsible to both the Women's Union and the S.E.C. The most important problem facing the newly elected Council will be the report of the committee at present studying the financial arrangements between the men's and women's unions. I shall, if elected represent the Women's Union and its interests as fairly as possible while seeking to remedy any unfairness which may exist.

Due to the improved financial position of the S.E.C., I believe that when Dawson College's deficit has been made up, the additional two dollar levy imposed last year may be dispensed with.

I shall do everything possible to improve the inadequate facilities for women in all campus buildings and to have a snack bar installed near the Women's Union Lounge.

I shall investigate the Employment Service with the intention of providing more part-time and summer jobs for women.

I sincerely wish to thank all those who nominated me and promise to stay sober on all but formal occasions.

MONICA HURLBUT, B.A. 3.

Pen Sketch

Monica came to McGill three years ago intending to go into medicine. Last year she did volunteer at the Royal Victoria Hospital, which convinced her of the great need for well-trained social workers. She now looks forward to an M.A. in Social Work from the University of Chicago.

This year Monica has reformed. The Social Service Committee is also back on its feet due to her efforts. She has placed volunteer workers at many welfare centres. Despite her singlemindedness of purpose, Mike has been a great help on the Art Committee. She knows this is an excellent opportunity to bring professional art to the students of the campus. She is also on the General Council of the M.O.C.

We know Mike will work in friendly cooperation with the Council in the interests of the women students.

—Marion Fox, B.Sc. III

Mary Tudor, B. A. IV.

MARION STEPHENSON

Platform

First of all I wish to thank those who nominated me for the position of Women's Representative on the S.E.C. I consider it a great honour and realize, fully, the responsibility of such an office. If I am elected, I shall do my utmost to represent the women students of McGill University and uphold their rights on the governing council of the student body. Also I shall try to carry out the duties of the Vice-president of the Women's Union to the best of my ability.

It is the responsibility, and should be the desire of every woman student at McGill to vote in the coming S.E.C. election, so on Wednesday, make your choice of the girl you feel is best suited for the position, and vote!

—Marion J. Stephenson.

Pen Sketch

What! Stevie for S.E.C. Rep? The first person we asked said, "Yes, she's had lots of experience. Her contribution to the McGill Fund was a big effort in organization." The next person approached was enthusiastic too. "Well, I don't know her very well, but she seems to have constructive ideas and I think she would really look after our interests." ... So it went ... but you've heard enough of other people's opinions, now for a bit ... now for a bit about Stevie herself.

Stevie came to us from Mount Allison University where she was active in many campus clubs. This year she was chosen as the representative from her faculty to the McGill Fund and next term will be working on the Red Feather Drive.

Stevie is known for her ability to work hard and well and her faculty to speak up when something needs to be said. We can guarantee that with her election the women at McGill will be very capably represented on the Students Council.

—Helen Bryan.

—Sue Bishop.

LAW

PAUL MACDONALD

Platform

My platform is simply the following:

- 1) To represent with fairness and impartiality the interests of law students as a whole on the SEC.
- 2) To serve to the best of my ability as chairman of the Constitutional committee of the SEC, and to regard all amendments from the view-point of the needs of the whole campus.
- 3) To promote the recognition of the Law faculty as one of the leading faculties on the campus.

Pen Sketch

Paul MacDonald — a veteran of the "lower decks" of the Navy — obtained his BA from St. Patrick's College in Ottawa, where he was President of the Student's Council in his Senior Year.

In the short period since his arrival at McGill, he has been active in almost all types of Campus activities — gaining a Gold "A" in Intercollegiate Debating, serving as Vice-President of the Liberal Club for two seasons, playing for the McGill Intermediate Hockey Team, and acting on the Executive of this year's Athletic's Nights Committee.

This record shows Paul's wide interest in student affairs wherever he may be. He is well equipped by experience and inclination to follow the capable Law representatives of the past and can contribute the same maturity and wisdom to the S.E.C. as his predecessors from this Faculty.

Des. THOMAS, Law 2.
John T. PIPER, Law 2.
Paul BETTS, Law 1.

JOSEPH PORTEOUS

Platform and Pen-sketch

A platform sets out the qualifications of the candidate for the job which he seeks. Joseph Porteous, in running for the post of Law Representative to the S.E.C., could have no better platform than his own character and ability. For this reason, platform and pen-sketch are here combined.

A man of complete personal integrity, Joe Porteous has the advantage of an unusually wide experience of people and affairs. A capable and balanced judge of any situation, his pleasing personality and ready wit enable him to exert a considerable influence on those with whom he works. He never fails to introduce a sane and practical point of view, and his decisions are notably workable and fair.

We feel that these characteristics make him the ideal candidate for the post. Law, a small Faculty, cannot hope to carry much weight in the S.E.C. by virtue of a great popular mandate; yet, as a graduate Faculty, Law ought to give to the Council a certain steadiness and sense of responsibility. To discharge this duty, Law's representative must have both ability and force of character. Joe Porteous is liberally endowed with both.

We will vote for Porteous because we think he is the best man for the job; because we are sure that he will be a credit to his Faculty; and because we know that the S.E.C. will greatly profit from his presence on it. We urge all other Law students to do likewise.

Eric Cloutier, Eric Newton—Law I.
Louise Boucher, John Claxton—Law II.
Maynard Golt, Paul Pare—Law III.

MEDICINE

ALLAN KNIGHT

Platform

Before going further, may I take this opportunity to thank all those who nominated me as Medicine's representative to the Students Executive Council. I promise that, if elected, I shall do my utmost to fully present the views of the medical students towards affairs under the jurisdiction of the Student's Executive Council.

Having served for a year on the Council, I know that definite promises often included in a platform are futile. Therefore, I shall lay stress on the fact that experience in the function of that executive body and its scope is an invaluable aid in representing student opinions. With this experience and a keen interest in student affairs, I feel that I can conscientiously serve the best interests of students in the Faculty of Medicine.

Pen Sketch

Rarely does a candidate for executive office at McGill present such a wide and varied background of experience as Allan Knight.

Allan's energy and enthusiasm are apparently unbounded; the classic example of this is seen in the fact that two years ago, while in the throes of first year medicine, he managed to carry out the duties of Editor-in-Chief of the McGill Daily, and be a very active member of the Students Executive Council. Despite all this, Allan still managed to maintain a superior standing in his academic work.

He includes among his activities of the past the Chairmanship of the Athletics Council, Intramural (Continued on Page 4)

BRIAN LITTLE

PLATFORM.

All over the world you can hear about McGill and Medicine. This shows that in the minds of many people the names of McGill and the Medical Faculty are synonymous. Inside the University, many of our predecessors have taken the time to lead in both the executive and athletic field. We must maintain the reputation of Medicine both within and without the University; we can only do this with an outspoken and complete representation. As one of the oldest and most respected faculties of the University, we must have an active hand in all those matters affecting us and the University as a whole.

We must not be disinterested. We could have liaison between the S.E.C. representative and all the Class Presidents, thereby we would be informed of all that is going on, and could kick at the appropriate moment. This way we can remain uninterested but never ignorant.

This higher ratio of participation with outspoken representation can lead to but one thing, and that is the realization on the part of the medical faculty that McGill, as a whole, exists, and also perhaps what is more important that McGill students will realize the omnipresence of the Medical Faculty.

Pen Sketch

I am sure that most of the students in Medicine are fully aware of Brian's ability and qualifications to represent the Faculty of Medicine on the Students Executive Council. However, for those of you who are not sure as yet, who to vote for, here is a bit of his personal history.

Brian has led an active campus life ever since coming to McGill in 1942 and is thus well acquainted (Continued on Page 4)

St. Johns Five Set For Contest Tonight On Currie Floor

BY JACK ABRAMS
(Special to The Daily from Dawson)

Tonight at the Currie Gym the Dawson Senior M.B.L. squad makes its official entry into the M.B.L. when they play Miss Montreal in the opener of a double-header. Y.M.H.A. takes on the McGill Grads in the nightcap of this twin bill. Dawson has been prepping seriously for this contest and has piled up an impressive record of four wins and one loss so far this season. They dropped a close encounter against the Grenadier Guards in a pre-season exhibition tilt at St. Johns. Since that game coach Bill Naves has been working hard with the boys and in an interview last night he expressed a great deal of confidence about the prospects of the squad this year.

In recent games the Red and Blue have showed amazing accuracy in shooting and passing. Up to date this season they have compiled the enviable shooting average of 33 percent. Naves has also worked on the defensive play of the team until he has developed an almost impenetrable wall of defense.

Much credit is due to coach Naves who brought his team up to M.B.L. calibre following their invitation into the Senior M.B.L. by Secretary Al Irwin. Mr. Irwin extended the invitation after witnessing the splendid performance by the Dawson team against the Guards in the early season. Since then Naves has worked untiringly to make his squad worthy of their place in the league and from all appearances he has been highly successful.

GALAXY OF STARS
Bolstering the Dawson roster tonight will be such stars as Jim

Shea from the Massachusetts State team; Ron Nickerson, formerly of Granby High and star forward on last year's squad; Gordie Edwards of Verdun High where he was high scorer in '47; Pete Seimers of Westmount High who was chosen for the Montreal District High School All-Star team in '47; Bruce Yamashita of Montreal High who was

BILL NAVES,
Dawson Basketball Mentor

also on the All-Star team for '48; Pat Ross-Ross at guard from Cornwall Collegiate who was chosen as the most valuable player in the Queen's Invitation Tournament (Ottawa District); Jack Nikolaidis at guard from the Greek National and Olympic teams; Jim Maskell at guard from South-Western "Y" and formerly on the Dawson Senior M.B.L. team of '47. Louis Milburn at centre from Patterson High in Windsor, Ont., which won the Provincial Championship in '48; and last but by no means least is the lightning man of the Dawson squad, Bill Walker, also at center, from Philadelphia where he played with the Central High School and the Y.M.C.A.

When Dawson Meets Miss Montreal at Currie Gym tonight it will be for the second time this year. The first encounter was at St. Johns when the Dawsonites emerged victorious by the slim margin of three points.

Red Natators Defeat YMCA; Enter Finals

After overcoming a three-goal deficit in the last eight minutes of play, the McGill water polo squad defeated the YMCA splashers 7-5 last night at the Legion Hall pool. This win entitles the Red natators to meet National, who defeated Y.M.H.A. 6-5 in a second overtime period in a contest which was the nitecap of the McGill-YMCA tilt. The finals will be in the form of a two-game total point series, with the contests to be played at the Legion and Nationale pools on Dec. 17 and 19 respectively.

The Y.M.C.A. took an early lead at 1:15 of the first quarter as White tallied for the losers, but the Redmen tied it up a minute later, when Don Walter shoved one past the "Y" goalie. The first stanza scoring ended on a second tally by White which sent the "Y" crew into a 2-1 lead.

"Y" ON OFFENCE
As the second quarter opened, the "Y" lengthened their lead on a goal by Galtens, and both squads tallied at the quarter's end, Cameron on a long shot from centre for the Redmen, and Slinkosky for the "Y" to make the count read 4-2 in favor of the "Y" at half time.

The final tally for the Y.M.C.A. aggregation was on a goal by Hardy early in the second half and at this point, all seemed lost for the Red and White splashmen. With eight minutes remaining, however, the McGill crew finally came to life, and on a series of gangling plays late in the third quarter, Taylor and Don Walters pushed the ball past the Y.M.C.A. netminder, and the seemingly unsurmountable Y.M.C.A. lead was all but smashed.

REDS GAIN LEAD
As soon as the teams changed ends for the final session of play, the Redmen renewed the attack and two quick goals by "One Way" Corrigan, and at long last, the lead had been wrested from the YMCA crew, a lead which they could not regain.

Don Walter put the game on ice for the Redmen as he broke away from the play after a YMCA rush, and in so doing scored his third goal of the evening. This was the last score of the game, and McGill finally emerged the victors by a count of 7-5.

Starring for the McGill crew, besides Don Walters who was the outstanding man in the pool, were Joe Dickstein and Hal Corrigan, while Hardy, Galtens and White all starred for the losers. McGill Lineup: G. Austin, J. Dickstein, D. Walter, P. Cameron, D. Taylor, W. Tilden, B. Johnstone, R. Berry.

Bridgetown, Barbados — The House of Assembly has voted a total of £10,000 (\$40,000) for rehabilitation of ex-servicemen.

Red Inter Hoop Squad to Meet Georgians Currie Gym Tonight

With one scalp already hanging from their belts in the form of a victory over Bishops College two weeks ago, the McGill Redskins, local entry in the intermediate intercollegiate basketball league, will attempt to chalk up their second straight win when they square off against the high flying Georgians at the Sir Arthur Currie Gym tonight.

The Georgians, by virtue of their victory over the University of Montreal in their league opener, are now tied with Ron Rutherford's Red and White crew for first place in the league standing, and the winner of tonight's tilt will take undisputed possession of the top rung.

MIGHTY "MITCH"
Although the Redskins showed good form in defeating Bishops 45-40, the team feels that there not quite up to their usual standard

of play in that tilt, and an even better exhibition is expected against the Georgians. The material at mentor Ron Rutherford's disposal is quite good, including Mitchie Garfinkle who is an expert in the ball handling department, as well as being the guiding influence of the squad as a whole. Malcolm Thomas, who potted 19 points against the Lennoxville crew two weeks ago, should also be a decided advantage to the team.

As a whole, coach Rutherford is very satisfied with his squad's co-operative play, and is quite confident that his boys will show well against the Sir George entry tonight.

LOST
At the Junior Prom on Friday night, one pearl and diamond earring. Very valued by owner. If found, please notify Angela Christensen, MA. 9181, Local 238. Reward.

Sportively Speaking

by Barbara Watson

SHOTS AND PASSES

The hoop-lah girls are really shaping up and seem to have quite a schedule laid out for this week. The session started last Saturday and as the results show, when team 1 played team 2, these two teams seem to be very evenly matched. At half time the second team was ahead 10-8, and at three quarter time this team, under the captainship of Roberta Tyler, was still ahead 23-13. Then the first team showed that they were made of true championship material and came up to win by a score of 28-26. Yes, something happened to Molly Camp's team, and they just kept dropping them in, Molly herself getting in 13 of the points scored by her team during the game. Along with Molly was what might be a sensational guard line, with Dot Nichol, Wendy Dawson, and Edith Aston.

This first team has a fast, short forward line with guards who have played relatively little together. The second team has a tall slower forward line, but the guards played intercollegiate together last year. Elaine Fildes really did a good job when she matched the two teams to make them equal in strength. Tonight the Senior Number two team plays at the YWCA and promises to be in a good game, while the number two Junior Squad will be playing against Sir George's and also will be up against close competition. Tomorrow night the Number One Junior team rounds off the schedule at the South Western YMCA.

54 CLUB

Anyone that has ever done any Archery will know that 54 is a perfect score . . . that means hitting the Bull's Eye every time with six arrows . . . and last week for the first time two McGill archerettes shot perfect ends. Betty Watt and Pearl Hentley have the honor of being the first members of McGill's newly formed 54 Club . . . that shows pretty fair marksmanship.

The beginners in Archery this fall are having a competition this week . . . shooting started yesterday, and for those who couldn't make it then the meet will be continued on Friday from 3-6 . . . It's too bad that the Mac meet was called off, but the only archers that they have out there are beginners . . . so they will wait until February to hold the meet.

CHAMPIONS

Last Saturday night was the scene of big excitement when McGill walked off with the Inter-collegiate Swimming Championship . . . and the team certainly had a close fight for it . . . the results read 24-23 for Toronto until the diving results were announced, bringing the score up to 28-25. Bliss Matthews saved the day putting forth a very good show of diving . . . Diving is a product of the NDG Ladies Swim Club, and was taught out there by Lucy Williams . . . and has been competing for several years in meets in the city. . . After, everybody had a chance to meet all their worthy opponents, when some of the students served coffee and food to all.

BATTING BIRDIES

McGill had a good start in the Murray League last week when they defeated Stephens Club with the score of 208 points to 160, winning 11 games out of 16. Playing for McGill were Lois Preston who captained the team, Mary Tucker, Bliss Matthews, Marion Johnstone, Jean Preston, Shirley Chaparro, Ann Kolosko, and Emma Hollick . . . the next game is against Westmount Club on December 10th.

Tomorrow night there will be an Informal Women's Tournament at the Currie Gym . . . and that means fun for everyone.

Dawson Edges Matmen Meet Y.M.H.A. in Volleyball Tilt In Intramural Tussle Tonight

Last night, the Golden Greeks represented Dawson College in an exhibition volleyball series against the Y.M.H.A. and defeated this highly ranked club in three out of five games. The Y.M.H.A. has been the Montreal City and District Volleyball Champions for the past thirteen years but they were hand-capped by the European rules which were used at Dawson. In a closely contested series the St. John's crew finally won by the scores of 15-3, 12-15, 15-7, 14-16 and 15-6. Outstanding for the Dawsonites was Nikolaidis, whose backhand serve baffled the opponents, while Meletopoulos and Gandilidis were the other stalwarts for the St. John squad.

STALWARTS

The best performers for the "Y" aggregation were Murray Waxman and Dave Greenberg, of local senior basketball fame, and captain O. Ofshitzer.

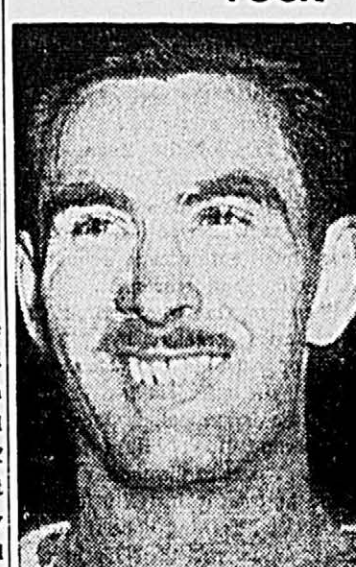

Coach Morrie Bruker, athletics director of the Y.M.H.A. refereed the fourth and fifth games at the request of both teams. He congratulated the Dawson netmen for their fine play, however he advised them to learn the Canadian rules because they will have to use these in league competition.

The first intra-mural wrestling meet of the year will be held tonight in the Sir Arthur Currie gym, with proceedings scheduled to start at 8:00 p.m. All weight classes will be represented, ranging from 135 lbs. to the 190 lb. class. However there will not be any heavyweight bouts due to the lack of contestants in this division.

The grunts and groans will get underway in the B.W. and F. room with Eddie Theriault and Frank Corbett from the 135 lb. class meeting in the opener. 145 pounder Byron Chapman will grapple with Skeet Dorland and Fred Suttie will clash with Rudy Casgrain from the 155 lb. division. In the 165 lb. class, Harry Blewald of Senior Football fame will attempt to pin Eddie Walker.

No opponent as yet has been named for Ron Brand from the 175 lb. class, however, it is expected that some worthy competitor will face him tonight. The heaviest grapplers of this meet, from the 190 lb. division, will be Jo Ouellet and Greer Owen and they should round out a very interesting meet for all wrestling enthusiasts. Mr. Blake will try to keep the matmen within the rules and regulations, in a sport which is very difficult to referee.

PUCK WIZARDS

On the left is "PHIGHTIN" BILL HENRY who, along with GORDON "GOOSE" GOSSELIN on the right, will be among the championship-hungry McGill pucksters when they face the Varsity Blues at the Forum Friday eve.

Jim Harris, president of the E.U.S., has always been impressed with the regularity with which Eaton's made the Daily, but he was always sorry that he could not say the same about Engineering news items. After that last meeting, we should be able to increase the ratio of articles published to articles submitted. John Harvie is the new publicity manager of the E.U.S., replacing Ed Lehman, who resigned. Any of the Engineering societies desiring publicity should get in touch with John. There is no charge for this service.

DID YOU KNOW: That Engineers can still join the E.I.C., if they so desire. Herb (sign right here) Pragnell has the necessary application forms. That columns which have not attained high literary heights are published on the back page. That contributions to the "McGill Engineer" are urgently required.

A certain Civil Engineer was enquiring about a Text on Sewage at a local book-store. Said the man behind the counter, "It's very difficult to get a modern book on sewage. Nowadays sewage moves so quickly that we can't keep up with it!"

The Civil smoker held last week was a great success. Large quantities of Cokes were consumed and a good time was had by all. Unfortunately, during the excitement of the evening, someone had mistaken a reel of film for a 50 cent piece which they had dropped, and they pocketed the reel. Seeing that Christmas is not very far off, it would be a nice gesture on the part of the person or persons responsible to see that the Civil Soc-

ety received the reel of film. . . no questions asked. . .

Best Trip of the Year Awards go to the Electrical and Mechanical clubs for the trips to Shawinigan. . . those who went on these trips were most enthusiastic about it all. . . with good reason. . .

Scene of the week: High Civic Dignitaries greeted by 2 inch flood of water as they attempted to leave the Hydraulics Lab. . . Sabotage is suspected, since it was the second flood within ten minutes. . . part of the money pledged could be used to install a few more drains. . . Talking about drains, this column will be back in about 10 days. . . So — Lang. . .

Cartwright—P. 1

eran, is well-known on both the Montreal and Dawson campuses. While at Dawson, he served on the Social and Entertainment Committee, and was a member of the Rowing Club, competing in the eight car shell.

At McGill, he served as Publicity Director for the Arts and Science Undergraduate Society, and as Chairman of the Father and Son Banquet. He also worked for the A.C.S. Ball and the I.S.S. drive. Through this work Gene has gained a wide knowledge of campus organizations, and is well suited to represent the students of Arts and Science as a member of the S.E.C.

ELIZABETH ABBOTT,
DOUG RIDDLE,
BOB FRAZIER, L.T.C.H.

Johnstone—P. 1

and a war veteran. He was educated at Lisgar Collegiate in Ottawa.

Before the war he was very active in the Canadian Youth Congress and a member of its National Committee through the years 1938-39. At that time he also played a leading role in the affairs of the Ottawa Youth Council.

In 1941 Doug enlisted in the Royal Canadian Artillery and as a commissioned officer, saw action with the First Canada Division in Italy and Holland. He returned to Canada with the Division in 1945 and 1946, entered McGill as a student-veteran.

Doug is a 3rd year student in Honours Maths and Physics. At present he is Publicity Director of the McGill Student Labour Club.

Consistent and efficient in whatever he undertakes, Doug combines the executive experience and organizing ability that is required of a successful representative. I feel that his program is an eminently practical and achievable one and I have every confidence in him to carry it through successfully.

GRANT ROBERTS.

Hampson—P. 1

it may be. Ballots are the lifeblood of democracy.

TONY HAMPSON.

Pen Sketch of Tony Hampson

As a man who is deeply interested in the campus and all its affairs, we believe Tony Hampson to be an excellent candidate for the position of Arts and Science Representative to the S.E.C. Since coming to McGill last year on a scholarship, he has participated in many undergraduate activities and has a thorough understanding of how the campus functions. We know him to be a very conscientious and willing worker who, we feel sure, will at all times be worthy of the students of Arts and Science. His activities during the past year have been:

1. Winter Carnival, Stadium Committee.
 2. Arts and Science Debating Society.
 3. McGill Liberal Club.
 4. Athletics Nights.
- Signed,
SUE BISHOP, Arts 3.
ALAN H. FINLEY, Sc. 4.

Sinclair—P. 1

activities of all sorts and her cheery manner has become well known around the University. Her work on the "Daily," in student drama productions, Radio Workshop, the Philosophical Society and the M.R.T. is too well-known to need mention here. Her record

speaks for itself.

She has kept up an enviable record in Honors History and English, winning the Knights of Pythias scholarship last year in spite of her numerous extra-curricular activities. Since coming to McGill she has made an amazing number of friends.

Because of her undoubted ability, honesty, straightforward manner, and sense of humor, we ask you to elect Betty Sinclair as your representative to the Students' Executive Council.

social program which includes dances, concerts, etc.

If elected, I assure the members of Arts and Science that I shall carry out my duties with an active interest.

BARBARA WATSON, B.A., III.

PEN SKETCH

B.A. III

Candidate for Arts and Science Representative to the Council. Barbara has been at McGill for three years and has proven to all who have worked with her that she is not only capable of the position as Arts and Science Representative to the Council but has had invaluable experience with the Arts and Science Undergraduate Society.

In her freshmen year, she was Secretary for their Class Executive; the following summer she worked on the Freshmen Reception Committee in the fall of '47 she was elected Recording Secretary of the Undergraduate Society and was also appointed Social Convener. At the same time she acted as Publicity Manager for the M.W.S.A.A. and has been on the swimming team for three years. This year she is the Women's Sports Editor of the Daily and has worked hard on Freshmen Reception.

All these activities have given Barbara not only valuable experience but a chance to meet people from all different groups on the campus and to get to know the ideas and wishes of the student body, especially those in Arts and Science.

EVA MARLER, B.A. 2
GEORGE VALOIS, B.Sc. 2
JIM ROSS, B.A. 3.

Knight—Med.—P. 2

hockey, baseball and other sports. He has served on the Freshman Reception Committee, the Dates Committee and the Scarlet Key. At present he is working with the Medical Journal and has an active interest in the CAMSI Journal.

In short, his background, his unbiased attitude and his capacity for hard work make him a candidate to be proud of as Medical Representative to the S.E.C.

J. Fyfe MacDonald,
Alan Mann,
John Oulton,
Hugh Brodie.

Little—Med.—P. 2

ed with many phases of student activities.

In athletics — Senior Hockey, 1942-43; Senior Rugby, 1942-43; 1945-46; Intercollegiate All-Star team, 1946.

As a leader — Flying Officer, R.C.A.F.; Sergeant Major C.O.T.C., 1942; Captain McGill Rugby team, 1943; President of Medicine Class of 1950.

He has done a very capable job in whatever he has undertaken — as any of his classmates can vouch for, taking as an example his year as president of his class.

However, it is not only on these past activities that qualify Brian as a representative to the S.E.C., but also his enthusiasm for the job, his character, and his popularity.

JOHNNY READ, Med. III.

Jack Crepeau—P. 1

and the S.E.C. so obviously needs.

It must be noted how often the same group of people consistently break the S.E.C. Rules and Regulations on this campus. Only yesterday again, I was forced to stop a prominent member of the L.P.P. club from distributing leaflets in the Union. He had not secured the proper authorization for such distribution, as a matter of fact the President of the S.E.C. had refused him that permission the night before due to an S.E.C. ruling. And yet that gentleman obviously side-stepped Mr. Gill's authoritative statement until "he was framed". Of course the Gentleman will probably state that he was only giving the leaflets to his friends (I got one because I asked for one) but the fact remains that these people are constantly breaking the established rules and the time has come when they must be brought before the council in order that disciplinary action may be taken. As long as this administration is in office all will be done to have our rules respected.

Around Campus—P. 1

under the auspices of the McGill International Relations Club, has been a consultant to the legal department of the United States since 1947 and is now visiting professor in Political Science at Yale University.

POST-GRAD MUSIC CLUB

The Music Club of the Graduate School will hold an evening of recorded music on Sunday, Dec. 12 at 8 p.m. This will be held at 4302 Montrose Ave. which may be reached as follows. Take a west-bound No. 14 car to Mount Pleasant (near Cote des Neiges) and the Boulevard, then walk two blocks south.

ENGINEERS SMOKER
The E.U.S. annual smoker will be held on Monday, Dec. 20, from 8.00 to 12.00. Features of the Smoker will be: a joke contest, a Barber Shop Quartet competition, a short film, a jam session and a sing-song.

Arrangements are currently under way to provide transportation for the Dawson engineers.

WEST INDIAN SOCIETY

Professor Potter of the Department of Sociology at Sir George Williams University will be our guest speaker at a general meeting which will be held at 7.45 p.m., on Friday, December 10th, in the McGill Union Grill Room.

Plans for the Xmas Party and Dance and the Christmas broadcasts will be discussed after the address.

S.A.M. MCGILL CHAPTER

On Thursday Dec. 9, Mr. Reg. Williams, Director of the Quebec Industrial Relation Institute, will address the club.

The topic of his address will be "Merit Rating." TIME: 5 p.m. Place: Room 33 Engineering Building.

ATTENTION R.V.C. GIRLS

Dawsonites are looking forward to seeing you at their Arts & Science Shuffle on December 10th. Don't let down your future McGill Colleagues. Tickets (\$1.00) are on sale at the R.V.C. switchboard between 12 p.m. and 1 p.m.

RECITAL

There will be a recital by the students of Jean Millar at the Conservatorium this evening at 8:30 p.m.

The recital will be given by pupils of Miss Millar's German class, and everyone is cordially invited to attend.

Sports Menu

MIXED BADMINTON

The McGill mixed badminton team won their first match in the Murray League defeating Central Y.M.C.A. 10 games to 6.

The women's double teams of Tucker and Matthews; Preston and Preston each lost one match and won one. The men's double team of Harris and Findlay also won and lost while the team of Jensen and Payette won two matches. In the mixed doubles play McGill won five of the eight matches.

The first home match will be played Thursday night in the small gym against Nationale.

Nominations in for Red Wing Society

The following girls have been nominated for membership to the Red Wing Society:

1st year non-resident: Lorna Brown, Caroline Clements, Babette Rodley, Mary Ramsay, Kathryn Stevens, Diana Sutherland.

2nd year resident: Letitia Artola, Betty Kimbark, Anne Wyman.

2nd year non-resident: Sheila Campbell, June Devaux, Kathryn Mason, Diana McNairn, Jean Simonson, Patricia Wallace, June Walker.

3rd year non-resident: Molly Camp, Martha McCutcheon, Janie Robb.

3rd year resident: Jean Gay, Judy Taylor.

The elections for these positions will be held with the S.E.C. elections on December 9th. All women students are eligible to vote for any of the candidates. Two non-resident girls, and one resident girl are to be elected from each year.

ATTENTION!! Every woman student is eligible to vote for Red Wings in all years in Friday elections.

LOST

A set of Economics 100 notes have been lost in the Arts Building. A reward is offered to anyone recovering these notes. The finder should contact Mervin Kerman at DE. 6028.

Dalhousie "Gazette" Returns to C.U.P.

(C.U.P. — Dalhousie Univ.) — The Dalhousie University "Gazette" will rejoin the Canadian University Press this year after a four-year absence. Permission was granted by the Dalhousie Student's Council.

Before leaving the C.U.P. the "Gazette" was the first winner of the Bracken Award.

Dry-cured herring are being exported from England to West Africa, and are expected to become popular with the natives, who like salt.

We have our heads in the clouds over
EATON'S Dreamy New Outfits for

ATHLETICS NIGHT

Yes, they're here again—the incomparable Athletics Nights packed with sports, choruses and dancing! No wonder our two little co-eds are in the clouds, for they have new Eaton outfits to wear to this big McGill event, and they know that they'll be admired as much as the players.
